Ms Vivienne Courto
Inquiry Secretary
Joint Standing Committee on Public Works
Parliament House
CANBERRA ACT 2600

Dear Ms Courto,

REDEVELOPMENT OF THE AUSTRALIAN INSTITUTE OF SPORT BRUCE

You referred a copy of a submission from the Australian Heritage Commission (Submission No 2) for comment.

The Australian Heritage Commissions submission advises that it is currently assessing a nomination of the Australian Institute of Sport for entry into the Register of the National Estate. In addition, the Commission advises that the proposed AIS redevelopment is unlikely to have any significant effect on any potential heritage values of the AIS.

The Australian Sports Commission thanks the Australian Heritage Commission for its submission and advises that it will work closely with the Commission on its assessment of the nomination of the AIS to the Register of the National Estate.

Yours sincerely
