CANBERRA ACT 2600

Dear Ms Courto,

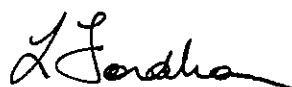

REDEVELOPMENT OF THE AUSTRALIAN INSTITUTE OF SPORT BRUCE

You referred a copy of a submission from the National Capital Authority (Submission No 3) dated 16 May 2003 to the Australian Sports Commission for comment.

The National Capital Authority submission is supportive of the proposal for redevelopment and additional facilities for the Australian Institute of Sport at Bruce. The authority advises that the Development Control Plan for the Bruce site will need to be updated and has expressed willingness to undertake a review of the Development Control Plan to facilitate implementation of the proposed redevelopment.

The Australian Sports Commission thanks the National Capital Authority for its supportive submission and advises that it will work closely with the National Capital Authority and the ACT Planning and Land Management Group to satisfactorily address all planning issues.

Yours sincerely
