EASY MED HARD

CLASS MANAGEMENT

Two halves

A Used for dividing a group into 2. The coach calls out a habit such as 'who kicks with their left leg?' These players group together. The remainder form a second group.

What to do

PLAYING

- > If the groups are not even in size, use a second or third habit with the larger group.
- > For a group of 20, say the first split gave a 15-5 split. A second habit applied to the larger group gave a 9-6 split. The coach chose 5 of the 6 and sent them to the smaller group from the first split.

Habits

Throw (L or R)	Kick (L or R)	Wink (L or R)
Fold arms (L or R on top) (L or R pointing finger on top)	Walk under a ladder (yes or no)	
Get out of bed (L or R)	Eat dinner (one thing at a time or a bit of everything)	First sock on (L or R)
Homework in front of TV (sometimes or never)	Stand on one leg (L or R)	Jump ½ turn in the air (L or R)
Home address (odd or even number)	One step forward – start both legs together (L or R)	Likes vegetables (yes or no)

Include all

- > Choose appropriate questions that allow everyone to participate.
