# ACTIVE AFTER-SCHOOL COMMUNITIES (AASC) program National Softball participation report – 2011 - 2012

---

Prepared: **2012**

By: **Kym McMahon, NSO Liaison Manager**

## Background

The Active After-school Communities (AASC) program has been delivering sport and physical activity programs to primary school aged children across Australia for more than seven years. Over the past few years, the program has had an increased focus to engage with local, state and national sporting bodies and develop strategies to promote continued participation in sport.

This report provides a snapshot of quantitative data relevant to softball programs during the 2011 - 2012 financial year.

Each semester, schools and Outside School Hours Care (OSHC) services involved in the AASC program identify the sports and physical activities they would like delivered to the children participating within the program.

The AASC program is committed to promoting Australian Sport Commission (ASC) participation funded and recognised sports for delivery. Figure one shows the percentage of AASC programs delivered by ASC funded and recognised sports, while figure two indicates the percentages of ASC participation funded sport programs delivered.

## Softball programs

Approximately 3270 schools and OSHC centres across Australia delivered the AASC program during the 2011 – 2012 period. **Appendix A** outlines details for the schools and OSHC centres that delivered softball programs.

**Figure 3: Number of softball programs delivered by year**  
(Note 2012 – Semester one)

**Figure 4: Number of softball programs delivered in 2011 – 2012 by state**  
(Total programs = 562)

## Participant numbers

**Figure 5: Approximate number of softball program participants in 2011 – 2012 by state**  
(Total = 15 255)  
(\* Participant numbers are based on site grant application projected figures)

## Softball community coaches

Programs are delivered at AASC program sites by community coaches who are registered with the ASC. Coaches are classified into the following categories:

Coach category	Types of coaches
Community member	Relation of a child or a volunteer coach
Internal	School teacher or employee of the OSHC centre
Private provider	Private organisation deliverer
Sporting Club	Local club member, accredited coach and state sporting organisation representative or coach
Student	High school, TAFE or university student

**Figure 6: Breakdown of community coaches who delivered softball in 2011 – 2012  
(Total = 474)**

There were 474 individual coaches registered to deliver softball programs in 2011 - 2012. Of these 474 individuals, 118 individual coaches were linked to a sports club, so the assumption can be made that more than 100 links between local sporting clubs and schools or OSHCs were made.

**Table 1: State breakdown of community coaches who delivered softball in 2011 – 2012**

**Appendix B** outlines some of the organisations to deliver softball programs in the 2011 – 2012 period.

## Transitions to sport

At the beginning of 2012, the AASC program implemented database functionality to capture information on AASC program participants who have transitioned from the AASC program into community or school sport. Strategies to promote and transition children into continued participation in sport that have been effective include:

- The provision of club promotional and discount flyers to participating children and their families
- Club coaches mentoring other community coaches to enhance their ability to deliver sport programs
- Club coaches attending final AASC program sessions to promote links with local clubs
- The coordination of come and try or club registration events at local clubs at the end of the AASC program term.

**Appendix C** outlines examples of ongoing participation in softball during the 2011 – 2012 period.

## Summary

The AASC program values the involvement of Softball Australia, State and local softball associations within the program and would like to further develop strategies to help increase participation in the sport of softball.

I welcome you to contact me to discuss ongoing opportunities for collaboration or to find local contacts within our AASC program staff network.

Kind regards,
