INTRODUCTION

- Volunteering plays a critical role in sport and we are dependent on volunteers to keep our community clubs open and our players playing.
- Sport Australia recognises the significant value of sport volunteers but also the challenges we face in creating the best volunteer experience.
- To better understand the opportunities for the future of sport volunteering, Sport Australia worked with partners from across the sport and volunteering sectors and drew upon the 'Future of Sport Volunteering' Insights Report to develop a vision for sport volunteering.
- This vision forms the basis for Sport Australia's Sport Volunteering National Plan.
